Tip:
Start with the easy questions, then work your way up in difficulty.

Remember: Exam questions will get harder as you answer them correctly.

Week 04
Grow

TASKS

- [ ] Take Practice Exam 3 and focus on pacing in each section.
- [ ] Review time management on your score report. Which questions took you longer? Which did you complete faster? Keep track.
- [ ] Create a timed custom practice set in the "Exam Mode" and track your performance in the Online Question Bank. Make sure to continue to challenge yourself with more difficult questions.
- [ ] Continue to review answer explanations, and study incorrect AND correct responses.

TOOLS

- GMAT Official Practice Exams 3 & 4

Week 05
Reassess

- [ ] Almost there! Take Practice Exam 4 under exam-like conditions: In a quiet place, timed, and with the same tools you will have on exam day.
- [ ] Update your Skills Tracker based on your results.
- [ ] Need dedicated practice on a specific section? Try GMAT Official Practice Questions.
- [ ] Take Practice Exam 5.
- [ ] Review your results in full to reassess your progress and readiness for exam day. What challenges are you still facing?

Week 06
Refine

- [ ] Review previous practice questions and answer explanations.
- [ ] Develop an exam day strategy around your strengths and focus areas, including time management.
- [ ] Use this strategy to take Practice Exam 6, simulating test day conditions.
- [ ] Review your results and refine your day-of plan.
- [ ] Plan for exam day on mba.com/ExamDay, paying particular attention to what you need for your appointment, whether at a test center or online.
